## Advanced Junior Program Memberships

(Program Instructor - John Appleget, PGA)

The Junior Gold LTP membership is designed for the new junior and intermediate junior that wishes to learn the game of golf at a more accelerated rate than the clinic schedule provides. This program makes a commitment to monthly meet with the professional for a review. The junior may also join the AJP weekly groups for \$50 each week to experience the camaraderie and work ethic of the dedicated juniors in the AJP. The junior may also schedule individual private lessons for \$50 an hour. This program allows for some flexibility in scheduling, but still takes advantage of the AJP discounts for instruction.
